It is not clear whether the light blue is associated with the natural colors of the sky or the sea, but blue has a calming effect by lowering blood pressure and heart rate. In the same way that a blue sofa or rug in your living room can create a calm and relaxing atmosphere, this dress can make you look calm and feminine. Cabaret dress brand an is a magical dress that makes all girls cute. It is a special magic that I want to send to all girls.

COLLECTION 04 | AOC-3294  
SIZE : S / M  
COLOR : GREEN / PINK / BLUE / BLACK  
PRICE : ¥24,200 - [税込]

Pink has the image of "happiness" and "security", and is said to have the effect of suppressing aggression and anger. If you stay in an all-pink room, your anger will subside after 15 minutes. Overseas, it is used not only in prisons, but also in police academies, schools, and psychiatric hospitals, and there are similar cases in Japan. When things go wrong and you're frustrated, seeing and wearing something in pale pink like this dress can help keep your stress at bay. Cabaret dress brand an is a magical dress that makes all girls cute. It is a special magic that I want to send to all girls.
